[EPA-R05-OAR-2014-0119; FRL-9912-18-Region 5]

**Approval and Promulgation of Air Quality Implementation Plans;
Illinois; Latham Pool Adjusted Standard**

AGENCY: Environmental Protection Agency (EPA).

ACTION: Proposed rule.

SUMMARY: The Environmental Protection Agency (EPA) is approving a request submitted by the Illinois Environmental Protection Agency on January 8, 2014, to revise the Illinois State Implementation Plan (SIP) for volatile organic matter (VOM). The approval revises the Illinois SIP by substituting a new party as the holder of the adjusted standard for VOM granted to Royal Fiberglass Pools, Inc. (Royal), for the facility located in Dix, Illinois. EPA approved the adjusted standard for Royal on June 27, 2011. Due to a change in ownership, the facility is now owned by Latham Pool Products, Inc., d/b/a Viking Pools. The revision amends the adjusted standard for VOM currently approved in the SIP for the facility to reflect the change in ownership. This revision does not change any of the VOM control requirements and will not result in an increase in VOM emissions at the facility.

SUPPLEMENTARY INFORMATION: In the Rules section of this Federal Register, EPA is approving the State's SIP submittal as a direct final rule without prior proposal because EPA views this as a noncontroversial submittal and anticipates no adverse comments. A detailed rationale for the approval is set forth in the direct final rule. If no adverse comments are received in response to this rule, no further activity is contemplated. If EPA receives adverse comments, the direct final rule will be withdrawn and all public comments received will be addressed in a subsequent final rule based on this proposed rule. EPA will not institute a second comment period. Any parties interested in commenting on this action should do so at this time. Please note that if EPA receives adverse comment on an amendment, paragraph, or section of this rule and if that provision may be severed from the remainder of the rule, EPA may adopt as final those provisions of the rule that are not the subject of an adverse comment. For additional information, see the direct final rule which is located in the Rules section of this Federal Register.
